# SUMMER 2014 COURSE SCHEDULE

## Financial Information

The following regulations govern the discharge of financial obligations to Selma University. Students are required to pay the college fees upon registration, at the beginning of each semester. The student ***will not*** be able to start classes until general fees are paid. The student is expected to fulfill their financial obligations to the school. When a student desires that a bill be sent to their guardians, the student may request that a statement from the Business Office be mailed to them. However, this does not release the student from penalties if bills are not paid when due.

## Financial Aid

The Office of Student Financial Services supports the University goal of providing postsecondary education opportunities by assisting qualified Selma University students pursuing their educational goals with funds from grants, scholarships and loans from federal, state, and private sources. The Office is committed to meeting the following goals:

- ⇒ ensure compliance with federal, state and institutional regulations and policy requirements governing student financial aid services,
- ⇒ maintain funding sources by ensuring program integrity through ongoing staff training and continuing education, external audits, and self evaluations,
- ⇒ maximize funds available for Athens University students to meet their costs of attendance, supplementing the efforts of students and parents in meeting educational goals, and
- ⇒ provide quality financial assistance services effectively and efficiently.

The Office of Student Financial Services of Selma University is located in the administration building on the 1<sup>st</sup> floor of Dinkins Hall, 1501 Lapsley St., Selma, Alabama. Phone: 334-872-2533. ext. 112, 113.

# SUMMER 2014 COURSE SCHEDULE

The Student Financial Services Office has two major objectives:

- ⇒ To supplement the efforts of the student and parents of the student in meeting educational costs.
- ⇒ To provide financial aid to students who would be unable to attend this institution without such assistance.

## Applying for Aid

The Student must apply for aid each academic year. The recommended application process is via the web @[www.fafsa.ed.gov](http://www.fafsa.ed.gov). This site will allow the student (and parent) to apply for federal student aid programs at the Free Application for Federal Student Aid Site. The processed application will determine a student's eligibility for grant and loan programs. Results of this application will be mailed to the student and electronically transmitted to each school listed in the student's application. Selma University School Code is 040673.

Use of a U.S. Department of Education PIN Number will speed the application process. A PIN is available online at [www.pin.ed.gov](http://www.pin.ed.gov). The PIN is your electronic signature for the FAFSA, renewal FAFSA and Master Promissory Note for Loans. The PIN is also your access to your online aid history and your access to correct your Student Aid Report Online. Your PIN can be mailed to you in 7 to 10 days or e-mailed within 72 hours. **KEEP YOUR PIN IN A SAFE PLACE—WE DO NOT HAVE ACCESS TO IT FOR YOU.**

Students requesting loan funding must also meet the one-time requirements of an online entrance counseling session through the guarantor/vendor website and an online Master Promissory Note. The Master Promissory note requires a USDE pin to complete. Please notify the Financial Aid Office when both steps are completed. Student Financial Aid is paid each semester to enrolled students based on their eligibility that semester. Charges are deducted from student aid awarded and balances are paid to the students by the Business Office. The Business Office issues checks either in person or through the mail 14 days after the first day of class.

## Satisfactory Academic Progress Policy

The Office of Student Records and Registration calculates each student's progress toward the student's degree. Selma University's Satisfactory Academic Progress policy evaluates attendance, qualitative progress (GPA) as well as the quantitative progress (courses completed).

Any student receiving financial assistance who does not meet the satisfactory academic progress requirements during a preliminary review by the Office of the Registrar at the end of each semester will receive written notice of **Warning** for one semester. If during the second review at the end of the subsequent semester, the student fails to maintain the required standard, a notice of **Probation** will be sent. If during the third review the student fails to maintain the required standard, a **Termination** notice is sent informing the student that all financial assistance must be withdrawn. The student is responsible for ensuring that the grade point average and hours-earned data submitted by the Office of the Registrar are accurate and complete.

## Undergraduate Students- Grade Requirements

Financial Aid Students working toward a first undergraduate degree will be monitored for compliance with Federal Requirements for Satisfactory Academic Progress as outlined below:

- ⇒ The student must maintain a 2.0 GPA at Selma University and overall.
- ⇒ The student must successfully complete 67% of all Selma University coursework attempted. All W's, I's, F's and audited coursework count as unsuccessful completions. When unsuccessful completions exceed 33% of all coursework attempted, financial aid will be suspended.
- ⇒ The student must complete degree requirements within 150% of the usual time-frame for degree completion. Selma University requires up to 126 semester hours to graduate. Therefore, financial aid will be available for no more than 189 semester hours of credit. All accepted transfer work will be counted in this calculation. This particular component of the satisfactory academic progress standards may not be appealed as per Federal regulations.
- ⇒ The student **MUST** attend the first day of class and **is only** allowed (3) days per semester to be absent in order to maintain Financial Aid eligibility.

# SUMMER 2014 COURSE SCHEDULE

The Selma University Catalog sets forth degree requirements on a four-year completion basis. However, the Office of Student Financial Aid will allow five years for completion of a 120 to 126 semester-hour degree program which will enable a student to take up to 150 hours if he/she is carrying a course load of 15 hours per semester. Federal guidelines require that a student carry 12 credit hours per semester to be considered full-time; therefore, satisfactory academic progress is based on the assumption that a full-time student must earn 12 credit hours each semester and a part-time student must complete 80 (percent) of the attempted hours.

**Note:** *Hours earned through remedial and/or developmental courses are considered toward meeting the minimum 12 credit-hour requirement.*

Students not meeting the above standards will have financial aid suspended until the requirements are met. Students who lose financial aid must request reinstatement of aid when documentation of the cleared deficiency has been submitted to the Office of Student Financial Aid. Students changing majors will not have additional time allowed for goal accomplishment.

## **Full-time Students**

Students enrolled in 12 hours or more per semester will be allowed five academic years in which to complete a degree. Less than full-time students will be extended on a pro-rated basis not to exceed the equivalent of 10 semesters of full-time enrollment.

## **Three-quarter time Students**

Students enrolled for 9 to 11 hours per semester must earn a minimum of 18 credit hours per academic year to remain eligible to receive financial assistance.

## **Part-time Undergraduate Students**

Students enrolled in a degree program must achieve a minimum semester grade point average of 2.0 after the student has earned and/or attempted 48 cumulative credit hours.

Except when there are mitigating circumstances, no undergraduate will be eligible to receive financial assistance for more than ten (10) semesters or the equivalent of completing a four-year program in a five-year time frame.

## **Right of Appeal**

Students may appeal financial aid suspension in writing to the Director of Financial Aid. The appeal must clearly state the reasons the student did not achieve the requirements AND the reasons why the aid should not be terminated. Accompanying documentation from the student's Dean is recommended. The Committee will review the appeal and the student will be notified in writing when a decision has been reached. The Financial Aid Committee meets each semester to review appeals.

## **Re-Establishing Satisfactory Academic Progress**

After financial assistance has been terminated, students may re-establish satisfactory academic progress by the following method:

- ⇒ Students may attend academic sessions at their own expense and improve hours and/or semester grade point average to meet the required standards.
- ⇒ Students who comply with this method should submit to the Office of Student Financial Aid a written request asking that their eligibility for financial aid be reinstated.

# SUMMER 2014 COURSE SCHEDULE

## Student Rights

The **student has the right** to ask a university:

- ⇒ for the names of the university's accrediting and licensing organizations.
- ⇒ for a copy of the documents describing the institution's accreditation or licensing.
- ⇒ about its programs, its instructional, laboratory, and other physical facilities, and its faculty.
- ⇒ what the cost of attending is, and what its policy is on refunds to students who drop out.
- ⇒ what financial assistance is available, including information on all Federal, state, local, private and institutional financial aid programs.
- ⇒ who its financial aid personnel are, where they are located, and how to contact them for information.
- ⇒ what the procedures and deadlines are for submitting applications for each available financial aid program.
- ⇒ how it selects financial aid recipients.
- ⇒ how it determines financial need, including cost of education and resources available.
- ⇒ how much of one's need, as determined by the university, had been met.
- ⇒ how and when one receives financial aid.
- ⇒ to explain each type and amount of assistance in the financial aid package.
- ⇒ what the interest rate is on any student loan, the total amount to be repaid, when length of time for repayment must start, and what cancellation or deferment provisions apply.
- ⇒ if offered a federal work-study job—what kind of job it is, what hours are to be worked, what the duties will be, what the rate of pay will be, and how and when wages will be paid.
- ⇒ to reconsider an aid package, if the student believes a mistake has been made, or if enrollment or financial circumstances have changed.
- ⇒ how the university determines whether a student is making satisfactory progress, and outcomes of unsatisfactory progress.
- ⇒ what special facilities and services are available to persons with disabilities.

## Refund Policy

A student who withdraws or is administratively withdrawn from Selma University may be eligible to receive a refund for all or a portion of the tuition, fees, and room/board charges that were paid to Selma University for the semester. **HOWEVER**, if the student received financial aid (federal/state/institutional grants, loans, and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas exist in determining the amount of the refund and may be modified at any time without prior notice in order to comply with federal and state guidelines. Examples of each refund calculation will be made available upon request.

## Credit Balances

Whenever a school credits Federal funds to a student's account, and those funds exceed the student's allowable charges, a school must pay the excess Federal Funds (credit balance) directly to the student within 14 days of the later of:

- ⇒ the date the balance occurs on the student's account.
- ⇒ the first day of classes of the payment period or period of enrollment, or the date the student rescinds his or her authorization for school to retain funds in excess of the amount needed to cover allowable charges.
- ⇒ the day of the payment period of enrollment for which the disbursement is intended.

# SUMMER 2014 COURSE SCHEDULE

## **Federal "Return of Title IV Aid" (R2T4) Policy:**

The federal refund formula is applicable to any student receiving Title IV aid, which includes the Federal Pell Grant, Federal TEACH Grant, Federal Academic Competitiveness Grant, Federal National SMART Grant, Federal Supplemental Educational Opportunity Grant, Federal Perkins Loan, Federal Stafford Loan (Subsidized and/or Unsubsidized) and Federal PLUS Loans (Graduate and Parent). This refund calculation excludes Federal Work-Study. The federal refund formula provides a return of Title IV aid if the student withdraws, is administratively withdrawn or voluntarily ceases attendance in all classes before completing more than 60% of the enrollment period. Furthermore, a refund calculation must be performed for financial aid recipients who fail to earn a passing grade in all classes as identified by the Financial Aid Office at the end of the semester; these students are considered "unofficially withdrawn" and the R2T4 calculation must be performed to determine how much aid was 'earned' and how much must be 'repaid' by the student. The amount is based on the student's last documented date of attendance as reported by the Registrar's Office and/or documentation from the professor. If any refund remains after the required return of the Title IV aid, the refund will then be used to repay other state/institutional grants and/or scholarships, as detailed below in the State Refund Policy. If any financial aid funds are released to the student prior to the student's withdrawal (via a refund check as a result of a credit balance on the student's account), the student may then be required to repay all or a portion of the financial aid funds that had been previously released to the student. Students who wish to withdraw must follow Selma University official withdrawal policy. If a student officially withdraws or stops attending all courses, he/she may be required to repay all or part of the financial aid disbursed in the withdrawal term.

Students receiving federal funds may be required to repay aid determined to be "unearned." The earned/unearned calculation is based on the percentage of days a student attends during the term in which they withdrew. The amount of aid earned is determined on a pro-rata basis. That is, if a student completes thirty percent of the term in which a student withdraws, the student earns 30 percent of the federal aid received. Once a student completes 60 percent of the term, a student is considered to have earned all of the aid.

The difference between earned federal aid and 100 percent equals the percentage of unearned federal funds that are subject to repayment. Federal regulations require Title IV aid to be refunded in the following order:

- ⇒ Federal Unsubsidized Stafford Loans
- ⇒ Federal Stafford Loans
- ⇒ Federal Pell Grants
- ⇒ Federal Supplemental Educational Opportunity Grant

## **Withdrawals**

### **Course Withdrawal**

Students who wish to withdraw from a course after the expiration of the official ADD/DROP period may do so by completing a "Withdrawal From Course" form. Students should discuss the proposed withdrawal from the course with the student's academic advisor. Students must secure the signatures of the instructor of the course, faculty advisor and the Vice President for Academic Affairs before turning the request form over to the Office of Records and Registration.

### **School Withdrawal**

Students who wish to withdraw completely from the University must complete an Official Withdrawal form and a Student Withdrawal from School Clearance form. The Vice President for Academic Affairs and the faculty advisor will interview separately the student wishing to withdraw to make determination whether or not the withdrawal can be prevented.

Students must get clearance from the Business Office, the Library, Office of Student Affairs, Office of Academic Affairs and the Financial Aid Office before submitting the withdrawal form to the Registrar. Official notices of withdrawal will be sent to instructors, the Financial Aid Office, the Office of Student Affairs, the Business Office, and the Library. Selma University allows students to withdraw from school, anytime during the semester up to the first day of the last two weeks of classes (before the start of final examination).

# Family Educational Rights and Privacy Act (FERPA)

## Confidentiality of Student Records

Selma University is required to bring to the attention of all students' parents, and alumni the provision of Public Law 93-380, the Family Educational Rights and Privacy Act of 1974 also known as "The Buckley Amendment".

Students must register their vehicles with the Business Office. Regulations for the use of automobiles are described in the Student Handbook.

Under the provision of this law, all current and former students of the University have the right to inspect their official educational records in the Office of Records and Registration. The right of inspection does not apply to any information submitted to this office as confidential prior to January 1, 1975, nor access by students to financial records of parents. Parents or guardians of a student may not see records nor receive grades unless the student specifically designates that the student's records and grades may be available to the parents or guardians.

**No-option:** "Directory Information" may be revealed by the University without the student's written permission.

**No-option:** "Directory Information" includes the following items: (1) name and (2) enrollment status.

The Office of Records and Registration, as custodian of the student academic records, will release such records to Selma University's officials and other designated persons for indicated specific and legitimate interests as outlined in the amendment.

Requests from the campus organizations to release a student's Grade Point Average for the purpose of determining the eligibility of a student for an organization will not be honored unless the student involved has specifically requested in writing to release this information.

All academic records and related materials are kept in the Office of Admissions and Records. Students have the right to review their records and to challenge the content of any information that they feel is inaccurate. Students who have questions concerning their records should address them to the Office of Records and Registration. The Vice President of Academic Affairs is responsible for seeing that justifiable corrections are made.
